Walking your dog in Llandudno

Llandudno is dog heaven for walking with your best friend.

However, please note some walking areas such as The Oval have strict "keep your dog on a lead" restriction which are enforced by wardens

Also, please note some have exclusion zones which are enforced by wardens
For example:

Part of West Shore beach - 1 May to the 30 September - No dogs - See map

Part of North Shore beach - 1 May to the 30 September - No dogs - See map

The Great Orme and Little Orme provide wonderful views and scenery but please be aware of the farm livestock as well as the wild goats and seals on the beach

Please clean up after your dog

Thank you
